- o Access to electricity 230 volts (Bring your own connection cable of min. 25 meters)
- o 2 access cards

### Setting up the stand

- o Friday 17/5 at 12-22
- o Saturday 18/5 at 7-9.30

### Practical information

An email is sent out during the Ascension holiday - the week before Pentecost, with practical information in connection with arrival and setting up.

### Cars and trailers

Cars and trailers that cannot stay in the city must be out of the event site no later than ½ hour before the official opening time. Reference is made to audience parking. Driving on the event site with vehicles newer than 1976 is not permitted during opening hours, unless the vehicle is equipped with a driving permit, placed visibly on the vehicle. Driving permits are granted in special cases (e.g. goods driving) and can be obtained by contacting the secretariat.

### Products

- o You may only bring the agreed product range. If new products are added, this must be agreed in advance. TimeWinder reserves the right to demand the removal of non-agreed products.

### Electricity, tables, etc.

- o Each stage has access to a power plug with 230 volts 13 A, which is included in the price. If there is need for additional Ampere or strong current, this must be ordered and paid for separately. It is not permitted to set up electric heaters, oil radiators, water boilers, coffee machines etc. without prior agreement.
- o Tables (80\*180 cm.) can be rented through the organizer. Price per table DKK 100

### Trash

- o The stand holder must ensure that waste is removed from the stand and disposed of according to instructions from the organizer.

### Food and drinks

- o There are eateries and food stalls for every taste at TimeWinder. However, you are welcome to bring catering for your own consumption at your stand. You may not bring your own drinks. \_\_\_\_\_

### Permits, responsibilities, etc.

- o Staderholder himself takes care of current authority permits, insurance etc.
- o TimeWinder assumes no responsibility for damage, loss or theft.
